CHILD PROTECTION CATECHESIS

Each year, Catholic Schools and Parish Religious Education Programs in the Diocese of Allentown teach the Child Protection Catechesis Curriculum mandated by the *Charter for the Protection for Children and Young People* passed by the United States Conference of Catholic Bishops in 2002. The material in this curriculum has been prepared in light of our faith and in accordance with the moral teachings of the Catholic Church.

The purpose of the program is to help children improve self-reliance, raise self-esteem and master personal safety skills – all while reassuring them that most people are kind, safe and committed to their well-being. Students learn to identify specific signs and behaviors often used by predators.

The Child Protection Catechesis will be taught at St. Rocco’s during the Fall of 2023.

Yes I give permission for my child to participate in Child Protection Catechesis.

No I do not give my child permission to participate in Child Protection Catechesis. Materials for you to teach these lessons at home, will be provided.
